REMARKS

The present amendment is responsive to the Office Action of November 29, 2004.

Reference is made to a telephone conference with the Examiner on January 26, 2005 wherein possible modifications of Claim 1 might place the application in condition for allowance.

By the present amendment, Claim 1 has been amended to specify "sprocket and drive chain means operable to move..." in line 8. Claims 2 and 3 depend from Claim 1. Claims 4-12 are retained in dependent form pending the Examiner's consideration of amended Claim 1.

Applicant respectfully urges that the present amendment places the application in condition for allowance.

Allowance of the application is respectfully urged.

Respectfully submitted,

DENNIS M. LANGDALE
